ADDENDUM NUMBER ONE

RFQ # 7468366

**TITLE: Rhode Island State Police Foster Academy Impervious Service
Improvements (Create a Running Track)**

The Contractor is to provide, in yellow safety street paint, directly in front of the Academy, the following markings (see attached plans for exact locations): four rows, of ten pairs of footprints in each row. (footprints will be placed at a 45 degree angle with heels touching), the spacing between each pair of footprints in the row will be 30 inches, the spacing between the rows will be 40 inches (this is measured from the heel in one row to the toe in the next row). A size 13 foot print should be used. Prior to application the Contractor is to clear the parking surface of debris and soil. This price to be included in base bid price.

The base bid of the project will be for 6" of loam followed by Hydro Seeding. This work is to occur last week of September. The contractor is to provide pricing as an Add Alternate for 6" of loam and sod with watering for the months of July, August and September, at a minimum of twice a week. A unit cost will be provided to water. Original bid form submittals were numbered 15 and 16. See revised pages, now 15, 16, and 17. (attached)

Acknowledgement of addendum sheet attached. Failure to submit with bid proposal may result in bid disqualification.

As part of the Base Bid the Contractor shall carry a depth of removal of 18" of concrete in the north and south areas of the site where the track crosses the concrete pad. See attached revised excerpt from page 16 of the solicitation number 7468366 to reflect new unit cost for additional Concrete need to be removed or there is less than 18" of Concrete depth to remove.

3. UNIT PRICES:

Provide Unit Pricing for the following items which shall be used for additive and deductive change orders as may be required. The General Contractor shall submit Unit Costs as requested and each cost submitted shall be considered to be all inclusive and includes overhead, profit, travel, mobilization, incidental and appurtenant cost for the complete legal removal and/or installation of all items identified. Costs submitted shall be inclusive of compliance with all regulatory requirements, legal disposal, labor, materials, testing, bonding and administrative costs to provide labor, materials and services as prescribed in the Contract Documents. When these costs (Unit Costs) are used for deductive change orders the cost will be totaled and Two (2) percent will be subtracted from the final total which shall be considered administrative costs for the General Contractor for preparing the deductive Change Order. Provide these Unit Costs in Numerical form only. Prior to a final bid award confirmation of the Unit Costs will be made between the Owner and General Contractor. Unit costs will be reviewed as part of the overall review of the Bidders proposal for fairness and competitiveness.

The General Contractor shall note that the presence of a requested Unit Cost does not imply that General Contractor does not own these services in the Base Bid as prescribed in this RFQ and are being provided in the event the services are required due to circumstances mutually agreed to as being work in excess of that prescribed in this RFQ.

BIDDER agrees to be bound by the unit prices provided herein:
